Diseño de la aplicación

A login form with a gray background and an orange border. At the top center is a black icon of a person's head and shoulders next to a padlock. Below the icon, the text "DNI :" is followed by a white text input field. Below that, the text "Contraseña :" is followed by a white password input field. At the bottom, there are two white buttons: "Ingresar" on the left and "Salir" on the right.
